SSACA SUMMER '24 NETWORKING EVENT LOUISVILLE, KENTUCKY

June 5, 2024

Networking Event: Louisville's Fourth Street Live!

June 6, 2024

**Automotive Construction Innovation Program & SSACA Board of Directors Meeting
Ironworkers Training Center**

The Southern States Automotive Contractor Association generates synergies among like-minded contractors in the automotive industry. We look to advance mutually beneficial partnering opportunities through a network that is dedicated to successfully delivering safe projects to the industry. Part of our strategy includes regular special events, where members, industry representatives, vendors, and guest speakers come together to discuss how to move the industry forward.
